Q: What might it look like to “grow up in Christ?” What are the marks of growing in Christ?

Q: The idea of God’s servants all working together is easy to think about but harder to live out. Do you recognize how the Spirit of God may be at work through you?

1 CORINTHIANS 3.10-23

Q: What’s something that you feel the church (generally and/or locally) needs to be focusing on, something that perhaps seems like foolishness but ultimately is a reflection of God’s wisdom?

Q: What changes when you think about the temple (the place to encounter God) as a person (you!) as opposed to a building or location? Does it change how you think about yourself?
