## Studying 1 Corinthians

***Questions for further study & reflection***

### **1 CORINTHIANS 10**

Q: We tend to associate temptation with particular areas in our lives (sexually, gluttony). What are other areas in which we are tempted yet tend to not recognize the temptations?

Q: What gets in the way of you bringing “the mind of Christ” with you into every interaction?

Q: What’s something else that struck you today as you read and listened through 1 Corinthians 10?
